CHARTERS

Are Granted by the Secretary
of State to More State
Concerns.

CHARLESTON, July 15.—For the
purpose of holding 22,000 acres of
mineral lands in Harrison and Dod-
dridge counties, W. Va., and to en-
gage and manufacturing lumber, etc.,
a charter has been issued to Pitt-
sburg parties headed by C. A.
Worthington, R. C. Masten, Chester
T. Williams, Allen T. C. Gordon
and Alexander Black. The corpora-
tion will be known as the Harrison-
Doddridge Coal and Coke Company,
with offices at 1559 Frick Building,
Pittsburg, Pa., and has an author-
ized capital of \$200,000. The cor-
poration was required to pay a tax
of \$1,000 on a number of acres in
excess of 10,000, the maximum at-
a game with the Pink team. The
cess tax.

The Thacker Coal and Coke Com-
pany, of which J. Frank Black is
president, and whose offices are lo-
cated in Cincinnati, but with oper-
ations in the Pocahontas district,
has amended its charter to increase
its authorized capital from \$600,000
to \$1,000,000.

Two applications for executive
clemency were turned down by the
pardon attorney and Governor Glas-
cock. One was that of Eddogess,
of Logan county, who is charged
with several others of having killed
Bill Hensley, and was given twelve
years in the penitentiary. Dingess
claimed he had new evidence that
would be to his benefit if he had a
chance to present it, but it devel-
oped this evidence would come from
those who were witnesses or present
at the trial. The other, applicant
was Olley Claypool, who was sent up
at the September term, 1911, and
not having served even the mini-
mum sentence and having offered no
new evidence, his application was
refused.

KILLED BY CYCLONE.

E. Printz was killed and many per-
sons were injured by a cyclone
which passed through the suburbs
today.

SENSATIONAL

Will a Great Picture Be at
the Bijou Tomorrow Af-
ternoon and Night.

The Bijou theater Tuesday after-
noon and night will offer the most
sensational picture ever thrown on
a moving picture screen entitled
"A Nation's Peril," a great, big,
gripping drama of patriotism, love
and intrigue carried on under the
very eyes of "Uncle Sam" in one of
the enormous United States coast ar-
tillery forts. There is an explosion
of a submarine mine, throwing
thousands of tons of water into a
column ninety feet high and carry-
ing aloft the shattered fragments of
a battleship's tender carrying spies.
This alone makes the picture one of
the most sensational ever shown in
this or any other city in the United
States. It is the embodiment of
patriotism, love, intrigue, plots,
plans, counter plots and finally the
crowning act of a heroic girl in mov-
ing from peril "Old Glory." It
was personally arranged and pro-
duced by one of Pathe's best pro-
ducers.

The management of the Bijou says
the Pathe Company has praise and
favorable comment in newspapers
from all parts of the country. All
should, therefore, make a special
effort to see this great picture. The
regular program of pictures will be
shown in addition. The admission
for this special program will be ten
cents for men and five cents for
ladies and children. Try to get in.

LAYING RAILS.

Col. Joseph Facey while in the
city Sunday evening announced that
the Clarksburg Northern Railroad
Company had laid one-fourth of a
mile of its track out of New Martins-
ville and the bridge over Fishing
creek is now ready for erection.
While in Parkersburg Saturday Col.
Facey placed an order with Pope
and Olden for 5,000 cross ties.
